Farmington Crew Rowing for Pieces

The Farmington High School (FHS) Crew Team in Farmington Connecticut is launching *Rowing for Pieces presented by Farmington Bank*; a new initiative to support Autism Speaks. The team will be selling puzzle pieces to be affixed on a new boat purchased specifically for this purpose.

Rowing for Pieces will launch on May 8, 2011 with the christening of the new boat decked out with puzzle pieces sold to date. The festivities will take place at the Farmington Crew Boat House at Tunxis Mead Park in Farmington. The FHS Crew Team hopes to raise awareness about the signs, diagnosis and treatment of the disease. Throughout the 2011 rowing season the team will partner with the Autism Speaks Society to host a tent named "Rowing for Pieces" at all of their regattas. The tent will serve as a distribution point for educational materials, and puzzle pieces will be available for purchase as well.

What you receive when you purchase a Puzzle Piece:

A \$300.00 donation secures one puzzle piece with up to two names affixed on the new boat. To ensure your puzzle piece is affixed on the crew shell for the christening and dedication on May 8th your donation must be received by April 30, 2011. Puzzle pieces will be added to the shell throughout the year, for donations received after April 30, 2011.
